#### **NEW QUESTION: 3**

Written change requests should be required on\_\_\_\_\_

- A. Only large projects
- B. All projects, large and small
- C. Projects for which the cost of a change control system can be justified
- D. Projects with a formal configuration management system in place

**Answer: B**

## Explanation:

A system is needed for careful monitoring of changes made to the requirements. Use of written change requests encourages the individuals asking for changes to take responsibility for their requests and reduces frivolous requests that may adversely affect the project.
