Now take a look of their features and you can get realized of our MA0-106 training materials better.

NEW QUESTION: 1

What happens when a default payment method for customers is changed in the General Settings?

Please choose the correct answer.

Response:

- A.** New and existing customer master records will automatically receive this payment method.
- B.** Any new customer master records will default to this payment method, but existing records will not change.
- C.** When a new customer master record is created, the default payment method is assigned and cannot be changed.
- D.** When a new customer master record is created, a pop up box will appear with a choice of available payment methods listed in General Settings.

Answer: B

NEW QUESTION: 2

Horace Lance, CFA, states that the efficient market hypothesis and its rigorous testing have yielded many benefits to investors. Lance makes the following statements concerning an efficient market.

Statement 1: The Efficient Market Hypothesis (EMH) assumes that changes in security prices occur in a random fashion.

Statement 2: Portfolio managers should reduce trading turnover of client accounts.

Statement 3: The EMH establishes that the expected rate of return is the risk-free rate plus a risk premium that is the security beta times the market price of risk.

Which of Lance's statements is least likely to be correct?

- A. Statement 2
- B. Statement 1
- C. Statement 3

Answer: C
