NEW QUESTION: 1

DRAG DROP

You are deploying a SharePoint farm.

You need to prevent all users from purchasing or installing apps from the SharePoint store.

Which three actions should you perform in sequence? (To answer, move the appropriate actions from the list of

actions to the answer area and arrange them in the correct order.)

Answer:

Explanation:

Box 1: Sign in as a farm administrator.

Box 2: In Central Administration, on the Apps page, in the SharePoint and Office Store section, click Configure Store

Settings.

Box 3: Set the value of Should end users be able to get apps from the SharePoint Store? to No.

Note:

Configure app requests and SharePoint Store settings

Farm administrators can determine whether users can purchase apps from the SharePoint Store. This setting is at the

web application scope. If users cannot purchase apps, they can still browse the SharePoint Store, and request an app.

Farm administrators and the App Catalog site owner can view and respond to app requests.

To configure SharePoint Store settings

Verify that the user account that is performing this procedure is a member of the Farm Administrators group.

In Central Administration, on the Apps page, in the SharePoint and Office Store section, click Configure Store Settings.

On the SharePoint Store Settings page, verify that the selected web application is the web application that you want to configure.

If you want to switch to a different web application, click the down arrow next to the web application URL to change to a different web application.

To allow or prevent purchases, select an option for Should end users be able to get apps from the SharePoint Store?

Select **Yes** to allow users to purchase apps.

Select **No** to prevent purchases but allow users to request apps.

To allow or prevent apps for Office from the Office Store to be started when a user opens a document in the browser,

select an option for Should apps for Office from the store be able to start when documents are opened in the browser?

Select **Yes** to allow apps for Office from the Office Store to start.

Select **No** to prevent apps for Office from the Office Store from starting.

Click **OK**.
